

Alberta Parent Perspectives on Early Learning and Care

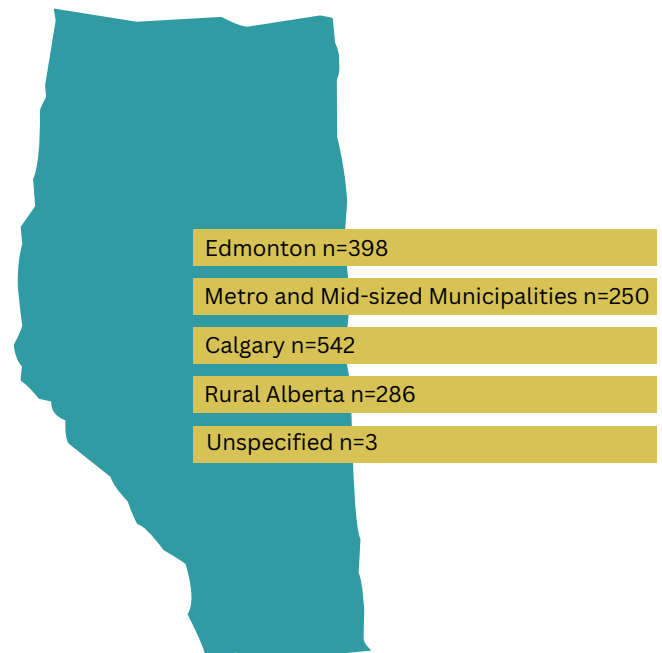

The Edmonton Council for Early Learning and Care, the Muttart Foundation, and Community-University Partnership partnered to survey Alberta parents/guardians ("parents") about their early learning and child care arrangements. Data were collected from May to July 2022.

The survey asked about:

These are the principles included in the Multilateral Early Learning and Child Care Framework.

We heard from 1,479 parents

The forthcoming survey results and reports will provide valuable information for the implementation of the Canada-Alberta Canada-Wide Early Learning and Child Care Agreement over the coming years.

Responding to the needs and issues identified by parents requires engagement and action from all partners in the early learning and care sector.
